Ā sos ā school dresses like this. The pigs wanted to know, and they soon found out. The hops on top were so big, I had to really get it right. A trick pays a ho for the pussy, but a man can fuck a slope to pay her. I was alone, so I had to invent a plan not just to make sure I had a slope to suck, but also to get a big name on Big Apple. .Ā .Ā . . nue af ~ llteam ~ oc ... and new 'Yer. !.. Liliā €™ bro, everything we need to do is what I'm already doing - it looks good, smells good, and keeping a fresh Fleetwood, he said. He was appearing as a son of a bitch with his pimpine €™ . Everyone wanted to give us a point, and all the older girls wanted to take us to the school dances. One has to put it in the pocket of a slope like a rocket before the pimpine €™ can start. I have three hoses. "Pimpin", what could you do with this money? "I got up, because I was about to act, and I wanted everyone to hear. I go, I'm the slope and you are Ho, he said. When he became sixteen .jd was an official pink, with Train Hose Certified. Put, sorry my pimpine €™ , he said. None of us had a letter of conduct, but we were a lot of money to smuggle. " I. Sammy, a half-bad cafeteria who was sitting in the corner left out, that bitch so well that she doesn't need a choice rate to fuck with my coffee shop! From nothing, the little bear jumped and said: Bitch, break up! She walks to Little Bear and asks, Mr. Bear, what can you do with that money that I can't do with it alone? If you can answer, I'll break myself. I could not be in the city more than two hours before being knocked down to the HO that brought with me. So he asked the same question that was asked to me. I was always preparing a plan. To be valued, the key is not to give, but to receive - the more, the better. The more he spoke, the more he spread my name and the more respect I started to enter the street. The divine Father of life that a coffee associate, Little Bear, came from a distinct line of cafeterias. My first day in New York and I was peeled. Johnny Slick! We have to say in unison. Johnny Slick was known in the pool halls up and down on Madison Avenue and sixty-third of Chicago. To keep our site working, we need your help to cover the server cost (about \$400/m), a small donation will help us a lot. When I was about fifteen years old, I used to be strong with my JD man, also known as Father Divine, who was also fifteen years old. Many cafeterias had these small clubs at that time as a way to get thick. He was telling me to just build my name and the rest would come - grafted, respect, money and power. People were impressed by my style of serving a mano. Pimpin was in Little Bear, not in him. 5.Imlon 5POIF: ug,jit'e: t.i, j ~ rer: .rainme: nt af, s : rm.m 8k: 5 i: blifiter, iii: c, !l Lrd, d-ehl !.-ed.ljlj
